

iMobile Install Guide – Android Device

- 1 Search the Google Play Store for Intelligent Hub & tap Install

- 2 Open HUB, type mdm.medcity.net in the Server field. Tap Next

- 3 If prompted to Allow HUB to make & manage calls, tap Allow

- 4 Enter HCA in the Group ID field & tap Next

- 5 Enter HCA 3-4 ID & password

- 6 Tap Employee Owned

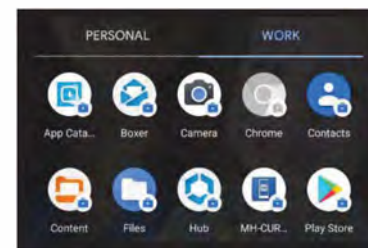

- 7 Tap ACCEPT for the Terms & Conditions after reviewing the Privacy Terms page – then I UNDERSTAND – then I AGREE

- 8 The app will now prepare your profile. Tap Accept when prompted.

- 9 When enrollment is complete, you will be required to set a secure passcode (also used to unlock your device) if you do not already have one set.

- 10 Open your Work Profile or Workspace app. Find and tap Play Store then search for MH-Cure (or MH-CURE) & install.

Google Pixel

Samsung Device

- 11 **IMPORTANT:** At the login screen, enter the following before entering your credentials.

Username: **wfd-p**
Password: *(leave blank)*
Tap Login

- 12 Log in with your HCA 3-4 ID & password

IMPORTANT: If you receive a Login Failed due to not having a passcode message, you must enable “Require PIN when device turns on” or “Require PIN to turn on phone” in Secure Startup under the device’s Settings (*settings & location may vary based on the manufacturer*)
