UpToDate Anywhere Quick Access Guide

Access UpToDate Anywhere via HCA single sign on.

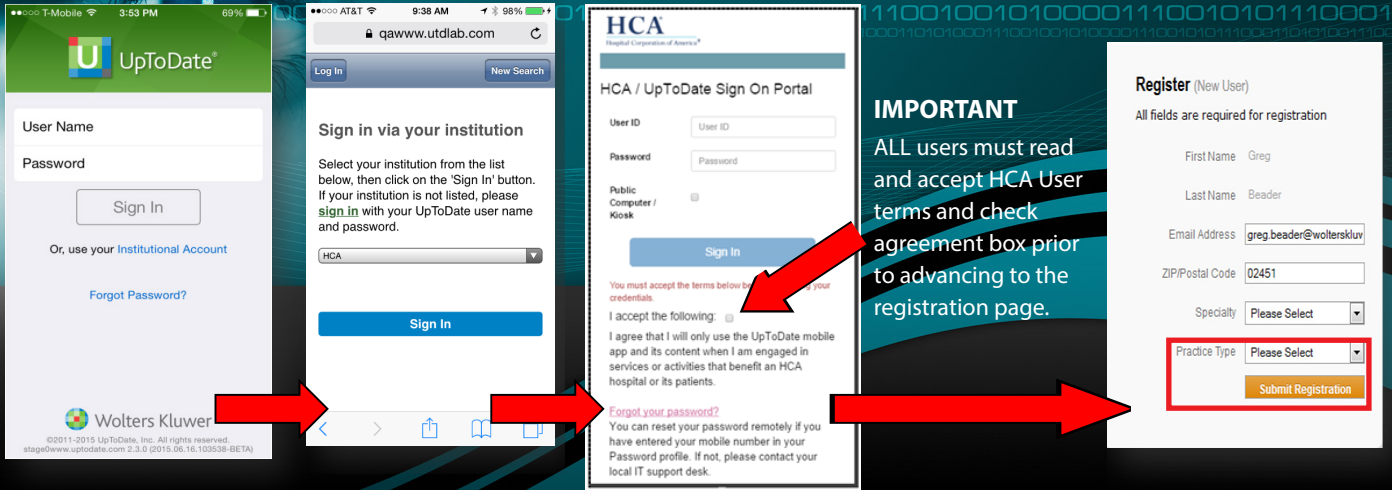

UpToDate is an evidence-based, physician-authored clinical knowledge system helping clinicians make informed point-of-care decisions.

Using the *UpToDate* mobile application - *UpToDate Anywhere* - access important clinical information on your smartphone, tablet or computer via HCA's single sign on portal.

Register once, access anytime, anywhere you have Internet access.

HCA | Clinical Services Group

Registering** through the app on your mobile phone

IMPORTANT
ALL users must read and accept HCA User terms and check agreement box prior to advancing to the registration page.

After downloading the UpToDate mobile app, open and click Use your Institutional Account.

Select HCA from the drop down menu and click **Sign In**.

You will be redirected to the HCA secure sign on window. Enter your 3-4 ID and network password.

After logging into the HCA network, you will be directed a short registration form. Most fields will be auto-populated, but you must select your Specialty and Practice Type from the dropdown menu.

UpToDate Anywhere

Your key to clinical information - Whenever, wherever you need it.

Adding UpToDate Anywhere to your mobile device:

- Download the app from your app store.
- Open the app and click "More Options"
- Click "Institutional Sign-in."
- Select HCA and click Sign in.
- Login with your HCA 3-4 ID and password.
- Complete the UpToDate registration form (if prompted). **You will only need to do this once.**

Accessing UpToDate Anywhere mobile app

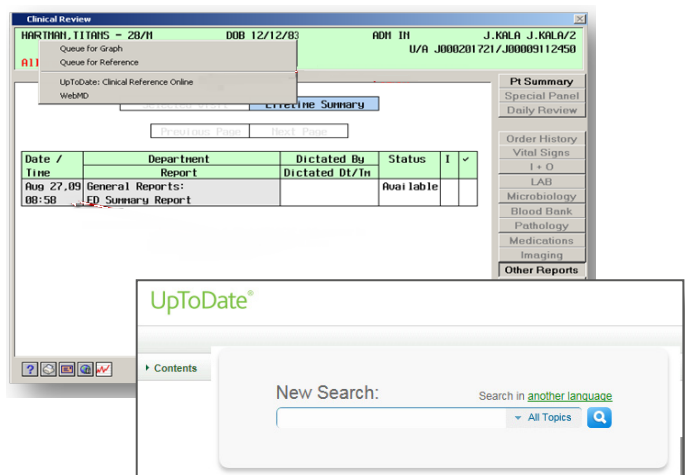

After completing the registration process (see above), you can simply access UpToDate by clicking the icon that appears on your smartphone or tablet. (see red arrow)

The UpToDate will open and you can begin your search and research.

Current UpToDate Users.....It's business as usual.

If you are currently accessing UpToDate medical information through your EHR system, rest assured - nothing has changed. You can still enjoy the convenient UpToDate access you've come to rely on.

****Completing the registration process will enable you to redeem CME credits.**
